TERMINAL DISCLAIMER TO OBLIGATE A PROVISIONAL DOUBLE PATENTING

Docket Number (Optional) 9684701/ACSS/SPARES

REJECTION OVER A PENDING "REFERENCE" APPLICATION

In re Application of: Shawn Ferron et al.

Application No.: 10/642,126

Filed: December 19, 2003

For: APPARATUS AND METHOD FOR CONTROLLED COMBUSTION OF GASEOUS POLLUTANTS

The owner, **Asples Ventures, Inc.**, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would end beyond the expiration date of the full statutory term of any patent granted on pending reference Application Number 11/0582,671, filed on July 15, 2007, as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patent granted on any reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the reference application are commonly owned. This agreement runs with any patent granted on this instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on the instant application which would end beyond the expiration date of the full statutory term of any patent granted on said reference application made by any terminal disclaimer filed prior to the grant of any patent on the pending reference application. In the event that any such patent granted on the pending reference application expires, fails to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed, terminated or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is abandoned, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.
